

## Description

**FULLTEC NITRO**

**Fulltec Nitro** is a combination of a less volatile nitrogenated product with essential aminoacids developed to get your plants back from abiotic stresses and reactivate the growth on them which allows the plants to fully express their yield potential even after unfavorable conditions.

### Main Benefits:

**Minimize nitrogen runoff:**

Fulltec Nitro provides a fully available less volatile form of Nitrogen to your plants when they don't have it.

**Bushel saver:**

The fast recovery promoted by Fulltec Nitro minimizes the stress's effects.

**Disease prevention:**

Fulltec Nitro prevents major diseases from taking advantage of weakened plants..
